# EL-EULDJ  Sid-ALi

And I like to create beautiful and
effective websites in the future. I like
to go through the entire Full-Stack JS
training with Gomycode, from
concept to design, then to
development and launch.

# I am EL-EULDJ SIDALI full-stack javascript developer

Hi i'm full-stack javascript developer prefer working with MERN stack
Don't trust me! trust my work

## Shoping website

An Ecommers website
for sailing shoes
